

YOUR INTERNSHIP IN SAN FRANCISCO

STARTING OCTOBER 2018!

WHAT WE ARE LOOKING FOR

Detecon is looking for talented, self-motivated and entrepreneurially minded students to join its San Francisco team. Interns support the delivery of international projects, ensuring that our clients around the world leverage the full potential of their digital strategy and innovation initiatives.

- Strong interest or background in digital/technology innovation

- Current postgraduate enrollment (e.g. Business Administration, Engineering, Computer Science, Economics)

- Knowledge about innovation methods, tools and techniques is a plus

- Expertise from previous internships valuable (e.g. in the fields of innovation, teleco, startups, consulting, corporate strategy)

WHAT WE OFFER

- Working as part of an international team
- The unique opportunity to experience the innovation powerhouse of Silicon Valley for 6 months

- A flexible and attractive working environment
- Excellent training and further development opportunities

HOW TO APPLY

For questions and to submit your application please reach out to Philipp Schett.

We are looking forward to receiving your application ASAP!
